### **5. MYP**

**Shelley Allen**

TOP BRICCK focus for the year is open-minded

September we will be open-minded inquirers.

We are participating in Pinwheels for Peace for International Day of Peace

ATL skill for the month is self-management

### **6. Community School Facilitator**

**Geralynn Barney**

We are a community school. This means we have Geralynn to help us connect with resources in the community.

Kids Eat is a program to help provide food for students who are in need.

We work with United Way to also help provide resources.

September 12th - United Way Day of Caring will come help clean up our grounds, community garden and also update our emergency buckets.

Oct 16th a mobile vision clinic to help students who need glasses.

Immunization clinic will be here during PTC to help students who need immunizations.

**7. Report from Counselors**

**Amy Skelton**

Counselors have been working hard on schedules.

Counselors are helping to support READ 180, a reading program we are implementing new this year.

Counselors visited each of science classes to introduce themselves and let students know how they can help.

**8. Safety Report**

**Bryan Rudes**

We had our first fire drill. It will really well.

Bryan reviewed our evacuation routes and plans. We evacuate and line up on the back field near elementary fence.

Teachers hold up a green sign if all of their students are accounted for and a red sign if they have extra or missing students. This allows us to account for all students.

If we need to evacuate during lunch, students are accounted for by their 4th period teachers.

Bryan also reviewed the plan for family reunification if needed. Officer Ryan will be giving a presentation to provide our community with more information about reunification and emergency needs.

Visitors must check-in at the main office and stay with a staff member while they are in the building. Volunteers also check-in and also must have a background check.

Bryan explained the magnet system and how the magnets allow us to lock down different areas of the building. We will use the magnets in a lock-down situation.

Alyssa asked if the traffic route for drop off could be added to the agenda for next month.

**9. Trust LAND & TSSA Budgets for 2019/2020**

**Mindy Robison**

Trust LAND funds are used to help us reach our CSIP goals.

TSSA budget will also be used to help us reach our CSIP goals.

We have been able to hire interventionists to work with students. The goal is to have one interventionist per team.

**10. Targeted School for Improvement Plan (TSI)**

**Mindy Robison**

Based on the Every Student Succeed Act we qualified for TSI for the following groups of students:

- Economically Disadvantaged
- Students with Disabilities
- English Language Learners

- Hispanic
- African American

TSI will be an agenda item each month. We will continue to discuss and work on ways to help all of our students.

#### **11. CSIP Review**

**Mindy Robison**

Mindy reviewed our CSIP goals:

Literacy: 75% of students will meet or exceed expected growth on the Reading Inventory (RI) during the 2019-2020 school year.

STEM: 75% of students will meet or exceed expected growth on the Math Inventory (MI) during the 2019-2020 school year.

PBIS: 80% of all observations (formal and informal) will have a positive to corrective feedback ratio of 3:1 by May of 2020.

#### **12. Cell Tower approvals**

**Mindy Robison**

Lindsay Buturm moved to use the cell tower budget to support teachers and additional office hours. Amy Coleman seconded the motion. The motion passed.

Next Meeting is October 2, 2019 at 5:30 p.m.
