9. TSSP for 2021-2022

Mindy Robison

We are good with keeping our goals for next year the same as this year.

Across the district FTE, funding for teachers, is down for next year. We will not receive the same FTE next year. We could fund possibly

How we could use our funding...

- .5 counselor
- 1.0 reading teacher
- Interventionists
- Professional development
- Textbooks
- Field Trips
- Equipment/Technology
- Paying teachers hourly rate to work with students on Monday
- Pay for substitutes

Currently, SCC feels comfortable with moving forward with the funding plan.

Mindy will provide more details and information in our next meeting.

10. Considerations for Next Year

Lockers - The kids like the lockers, but parents and faculty members feel it is better for school safety to not use lockers. We could be creative to allow students to have a place in the school to store their coats, lunch boxes etc.

Backpacks - The clear backpacks are great. The string backpacks have are not comfortable and the kids do not like them as well.

Motion to adjourn the meeting: Jeanette Dummer

Second: Tamara Taysom

Next Meeting is April 1 at 5:30.
